Your Bottom 3 LW Dimensions Based on PURPOSE + PASSION

Learning Style based on NLP

Your DOMINANT Learning style based on Neuro Linguistic Programming

visual

Visual learners will typically retain more information when they can see something that graphically depicts what they are trying to learn. Visual learners should study using visual aids whenever possible. Flash cards, pictures, drawings – anything that will give them a visual memory.

Visual Learners

like drawing diagrams, pictures and charts and watching videos/films. Reads and sees the material for learning.

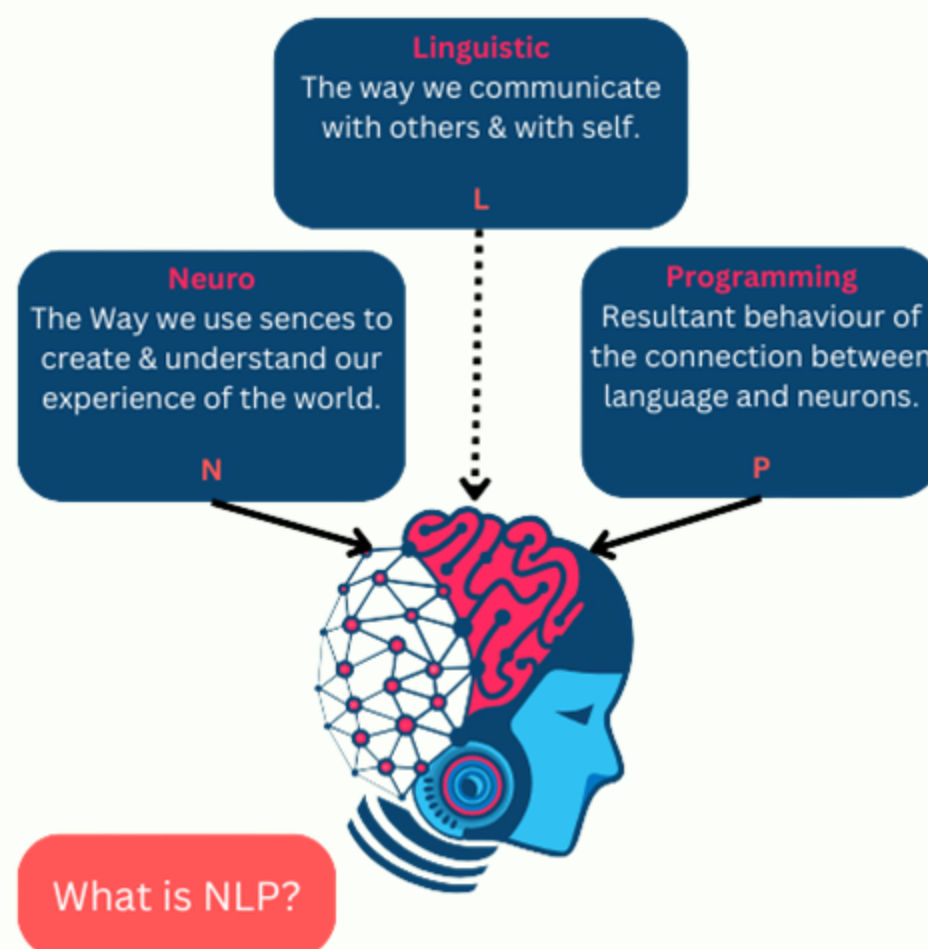

Your SUPPORTING Learning style based on Neuro Linguistic Programming

auditory

Auditory learners will retain more information when they hear something. For auditory learners the best way to learn is to hear something... over and over. Use a tape recorder. Read out loud. Have a friend quiz them orally.

Auditory learners

like to hear new information through spoken explanations, commentaries and tapes. They benefit from reading key passages aloud and making tapes.

Power Dimensions

The Power dimensions represent the High impact, most preferred and frequently used, naturally expressed dimension by the individual.
