A quote that mirrors you

"Prudence is "right reason applied to action," it belongs to the ruling of prudence to decide in what manner and by what means man shall obtain the mean of reason in his deeds."

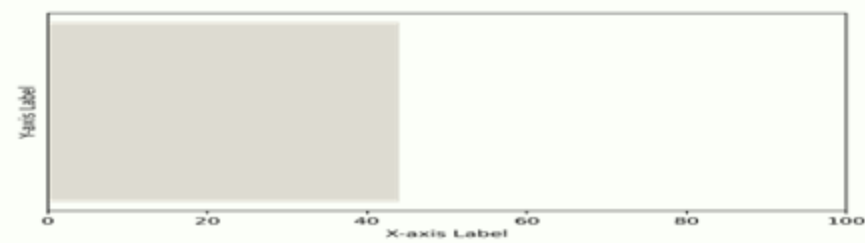

The TOP 3 VIRTUES
(also called as "Power Virtues") that you
express easily and has the highest
impact on your actions

Wisdom
With the Virtue of Wisdom, in the Power Zone, you are open to sharing new perspectives and insights with others by offering new knowledge and practical application of these learnings.

Prudence
With your Virtue of Prudence, in the Power Zone, you smartly and cautiously plan your actions to achieve the desired outcome

Fortitude
With the Virtue of Fortitude, in the Power Zone, you are fearless and courageous in your progression towards achieving your goals and steadily display this in your actions.

- Your middle 3 Virtues (also referred as your Push Virtues)
1. Understanding
 2. Temperance
 3. Faith

You express the Virtue of Hope, Faith and Love, with a bit of struggle, only when the situation demands from you. The expression of these virtues may not have a significant bearing on the outcomes you tend to achieve.

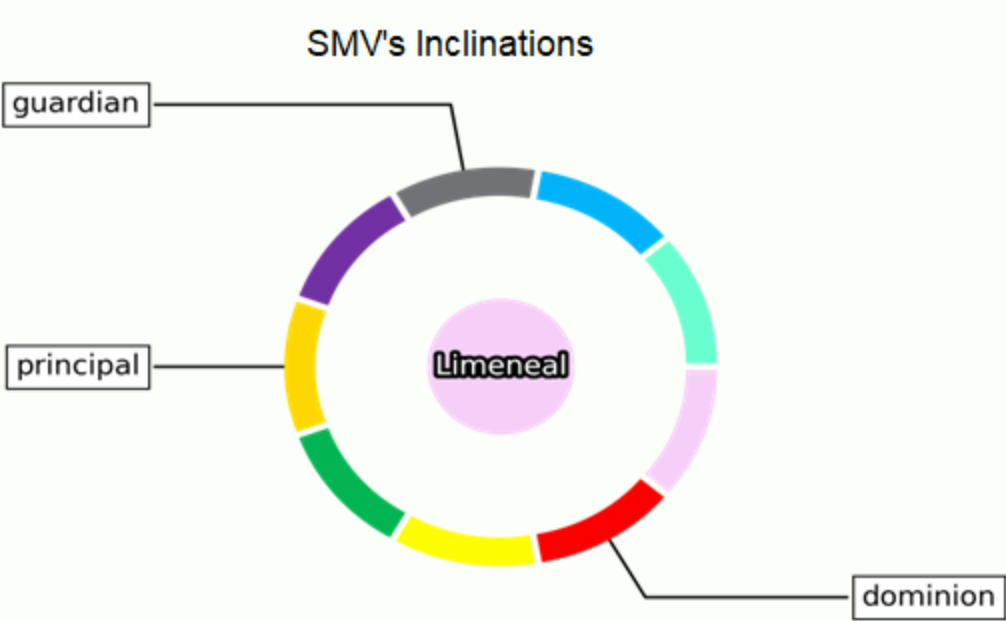

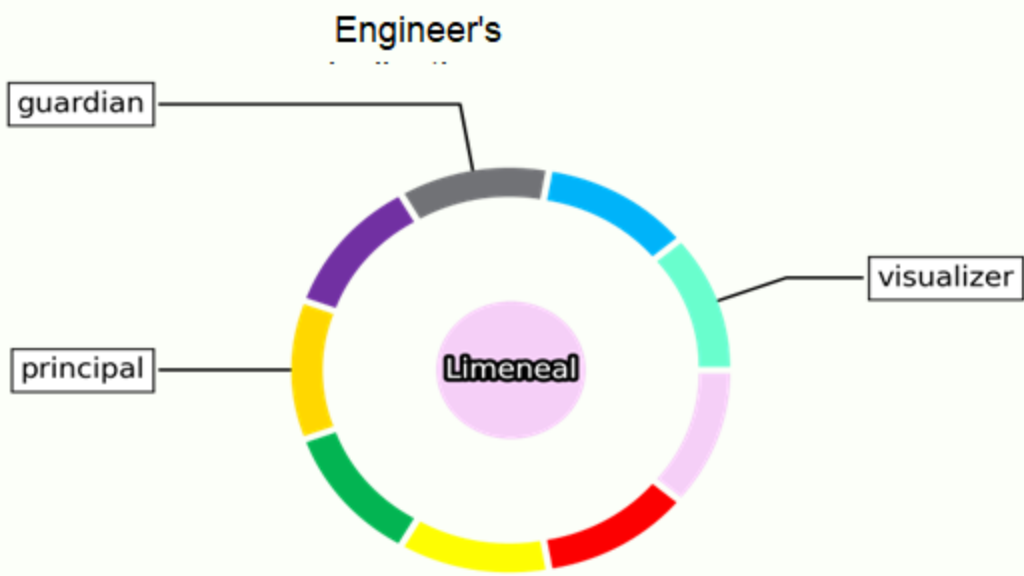

- Your Bottom 3 Virtues (also referred as your Pain Virtues)
1. Hope
 2. Love
 3. Friendliness

You express the Virtue of Friendliness, Hope and Fortitude with huge effort and is very unnatural for you. Though the situation may call for these virtues, you find them stressful to express, thus having the least impact on the outcomes you want to produce.

Your Career Preferences

This will lead you to careers where you will find Purpose through guiding others, researching facts and serving for others.
